

Industrial portable air conditioner SmartAir SAMAC16

Features:

1. This A/C is professional designed for commercial, industrial or big opening area partial cooling.
2. Design with universal wheels, easy to be moved to anywhere
3. Imported Rotary compressor to ensure refrigeration capacity
4. R410A environmental friendly refrigerant, save energy
5. Built-in big water tank, be able to remove conveniently
6. All metal design to be stronger.
7. Rotary button control, easy to be operated, be able to adjust wind speed
8. Waterproof electrical parts, could be used for outdoor.
9. Design with cold air hose and hot air hose
10. With movable and washable air filter.
11. Wide use range

Suitable for hotel, office, workshop, production line, warehouse, factory, computer room, kitchen, outdoor events, camping, restaurant, coffee shop.....

Commodity name	Portable Air Conditioner
Model No.	SAMAC16
Rated voltage	AC220V / 50HZ
Cooling capacity	16000BTU/H
Power input	1900W
Cooling current input	8.6A
Air volume	800 m ³ /h
Working temperature	18-45°C
Refrigerant	R410A
Max.Discharge Pressure	4.5MPa
Max.Suction Pressure	1.2MPa
Weight	75kg
Model size	480*520*1035mm
