

Industrial portable air conditioner SmartAir SAMAC25

Features:

1. This A/C is professional designed for commercial, industrial or big opening area partial cooling.
 2. Design with universal wheels, easy to be moved to anywhere
 3. Imported Rotary compressor to ensure refrigeration capacity
 4. R410A environmental friendly refrigerant, save energy
 5. Built-in big water tank, be able to remove conveniently
 6. All metal design to be stronger.
 7. Rotary button control, easy to be operated, be able to adjust wind speed
 8. Waterproof electrical parts, could be used for outdoor.
 9. Design with cold air hose and hot air hose
 10. With movable and washable air filter.
 11. Wide use range
- Suitable for hotel, office, workshop, production line, warehouse, factory, computer room, kitchen, outdoor events, camping, restaurant, coffee shop.....

Technical data	
Model Name	SAMAC25
Cooling capacity	25000BTU/HR
Voltage	AC220-240V/50HZ/1 P
Power consumption	3KW
Cold air hoses	3pcs *Φ120mm *500mm length
Hot air hose	1 piece * Φ200mm *500mm length
Cold air volume	1200m³/h
Hot air volume	3600m³/h
Evaporator & Condenser air filter	Yes
Controller	Rotary button
Working temperature	18-55°C
Drainage	6L water tank
Noise	60-65db
Refrigerant	R410A
Dimension	560*520*1160mm
Weight	95kg
